AUDITORS REPORT TO THE MEMBERS OF PARENTLINE

We have audited the financial statements of Parentline for the year ended 31.12.2011 which comprise Profit and Loss Account, the Balance Sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members as a body in accordance with the requirements of the Companies Acts 1963 to 2006. Our audit work has been undertaken so that we might state to the company's members those matters that we are required to state to them in the audit report and for no other purposes. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company or the company's members as a body for our audit work, for this report, or for the opinion we have formed.

Respective responsibilities of directors and auditors

The director's responsibilities for preparing the Annual Report and the financial statements in accordance with applicable Irish Company Law and Irish Accounting Standards are set out in the Statement of Directors' Responsibilities. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and the Auditing Standards promulgated by the Auditing Practices Board in Ireland and the United Kingdom. We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Acts. We also report to you whether in our opinion: proper books of account have been kept by the company; whether at the balance sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the company; and whether the information given in the Directors' Report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit and whether the company's balance sheet and its Profit and Loss Account are in agreement with the books of account.

We report to the members if, in our opinion, any information specified by law regarding directors' remuneration and directors' transactions is not given and, where practicable, include such information in our report.

We read the other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. This other information comprises only the Directors' Report.

We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of Audit Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstance, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31.12.2011 and of its deficit for the year ended and have been properly prepared in accordance with the Companies Acts 1963 to 2006.

We have obtained all the information and explanations we consider necessary for the purposes of our audit. In our opinion, proper books of account have been kept by the company. The Financial statements are in agreement with the books of account.

In our opinion, the information given in the Directors' Report is consistent with the financial statements.

The net assets of the company, as stated in the balance sheet, are more than half of the amount of its called up share capital and in our opinion, on that basis there did not exist at 31 December 2011 a financial situation which, under section 40 (1) of the companies (Amendment) Act 1983, would require convening of an extraordinary general meeting of the company.
